

Battleships: Level 2

PE Home Learning

Can you play by the rules and respect your opponent?

Time to Learn:

- With a partner, each player places three targets (battleships) in front of them. Place an additional battleship known as the 'ultimate battleship' in the middle.
- Players take turns to throw an object towards their opponent's battleships.
- Each time a battleship is hit, it is removed. If players hit the ultimate battleship they can add back one of their battleships that has been hit.
- The winner is the first player to hit all of their partner's battleships.

Play on your own!

How many attempts does it take you to hit all three targets?

Play for three minutes!

Have a competition!
