Positive Experiences
for all

We have...

- Been involved in the PL Consensus Statement Expert Panel (Stakeholder Group)
- Been an active member of the School Sport & Activity Action Plan 'PL Action Group'
- Continued to connect with SE's 'Positive Experiences Collective'
- Partnered with Lord's Taverners on Cohort 1 of the 'PL Patchwork Programme'
- Worked with YST on:
 - Video for PL Toolkit

We have...

Supported our workforce through:

- Having PL as a specific topic on two national 'Train the Trainer' events with Schools Workforce Leads
- Partnered with YST on a specific PL webinar for our coach workforce
- Supported regional coach training events where PL has been a key topic

We will...

- Include PL as a hot topic in any refresher training for existing coaches
- Support 3-4 Delivery Partners through the Patchwork Programme. Partners are:
 - Durham Cricket Foundation (area tbc)
 - Staffordshire Cricket (Stoke on Trent)
 - Cricket East (Luton)
 - Northumberland Cricket Board (Newcastle Upon Tyne)
- Look at our I&E measures & surveys to reflect PL consensus
- Review our resources and content to ensure future alignment (e.g. moving Life Skills to Move/Think/Feel/Connect)
